To whom it may concern,

I am requesting that an organisational account be created for my company, Gentoo Foundation, Inc. This organisational account is associated to the following domains gentoo.org.

The technical contact for these Internet domains and the administrator for the CAcert organisation account is Robin H. Johnson, Systems Administrator who is holding an assured CAcert account robbat2@gentoo.org.

I have attached the Gentoo Foundation, Inc's Certificate of Incorporation. The following business register will show Gentoo Foundation, Inc's active filing:
